Years 3-6 ONLY-

Students in Year 3 – 6 have studied the book 'Hating Alison Ashley' by Robert Klein. The book explores the theme of relationships. It focuses on the power of friendships, the importance of networks of friends, anti-bullying behaviours, stereotypes and prejudice. As part of our study, we are also going to look at the film and how alike/different the film is to the author’s original intent. As this film is PG, parent consent is required.

Could you please fill in the permission note and return as soon as possible.
