Actually… Parent homework is due in this Friday… I have attached another page in case you have misplaced it. I really value your input in to the school management plan – what you would like for your children’s education at Tunttable Creek School over the next few years and what direction you would like the school to move in.

Year 2 students were very excited to tell me about the great day they had at Whian Whian Public School when they returned this afternoon. There were lots of laughs as we looked at the photos of them all dressed up in their circus characters. The Big Scrub School’s Enrichment Days provide many great experiences. Students have a chance to meet up with others in their age group and build relationships that carry on to High School.

Next Thursday, the students will be visiting The Channon Pre-school. We will be presenting the Pre-School with books from our Books In Homes Program and our students will spend time reading to the preschool students and having morning tea.

**Upcoming Events**

**September 15**
Yr 6 Interrelate – Modanville PS

**September 18**
Visit to The Channon Pre-School (Reading)

**September 19**
Last day of TERM 3

**October 6**
Labour Day – Public Holiday

**October 7**
First Day of TERM 4

---

**Presentation Assembly- Monday 15th September @ 2:00 P.M**

To celebrate recent sporting achievements, we will have an assembly on Monday to present students with their medals. This will be followed by afternoon tea. Look forward to seeing you ….

Alison Bath
Looking for people to join my art workshops

Fish of Vision

Lig-Lag incorporated Arts Co.

1 ½ hour art sessions one day a week after school hours.

Startup fee $30 and $17 per lesson or package deal for 11 weeks at $160.

My method of teaching art is to explore the diversity of ideas and meanings, the use and language of art and the role of communication it contains. My philosophy is that art can be used to express, explore and visualize thoughts, ideas and emotions, it can hold the power to heal and assist in growth. I like to explore the ideas of the students and then to build my lessons on their input, feelings and needs. My lessons are delivered with enthusiasm, diversity and are designed to have fun.

I work with all materials and follow WHS procedures at all times. I run art classes for all age groups and capabilities.

I have a Bachelor of Visual arts and will complete my Bachelor of secondary Education in 2015, I have in school experience and meet all the child safety standards.

Contact: Yeleena Paolucci on 02)66886290

(Price may change due to materials.)
IF YOU COULD DREAM BIG...

I’m just about to start a new three year plan for our school.

*If you could have anything for our school* what would you love to have over the next few years?

What would you like Tutable Creek to be like/ look like for your children?

What learning/programs would you like to see happening in the class? For parents? Community?

Please place your thoughts and ideas down on this page, place in the envelope attached, return by the 12th September and go into the draw for a $40 food or petrol voucher (your choice). You don’t need to put your name on the sheet- your child’s name will be placed into a box when the envelope is returned. Thank you- your ideas are important. Mrs Bath
