Hi everyone,

My first two items in the newsletter today are reminders.

1. Tuntable Creek Landcare meeting this Friday, 24th July @ 4 p.m. TuntableCreek School.
2. P and C meeting meeting on Monday 27th July. This meeting is very important as we will need to discuss the P and C policy as well as other upcoming events.

Last Thursday we started Gymnastics with Mel. Gymnastics is part of our sporting curriculum, so it is great to have someone from our own community contribute to our school learning.

Last year the school was given a sports grant to cover the funding of special sporting activities. While the school does have some funds to help pay this year, I would like to ask parents to contribute $10 per student for the Term.

Students LOVED the play ‘The 26 Storey Treehouse’ that we attended last Friday. I have added a few reviews to the newsletter for you to read.

The 26 Storey Tree House Reviews.

I enjoyed the play because it was funny.

I liked the two different sized Gorgonzolas. The small one ate Jill’s parents and the big one ate the pirate.

I liked it when the flying cats saved Andy, Terry and Jill from the Maze of Doom.

I gave it 5 out of 5. ★★★★★

It was an amazing show. The sound effects were amazing and the props were fantastic.

It was hilarious when Terry was wearing a tutu. I enjoyed it when Terry made Jill’s mum
and dad puppet kiss. I enjoyed the play so much that I told everyone and wouldn’t stop talking about it.

I’d give it 5 stars. ★★★★★

Hailey

I thought the play was thought out very carefully and very cleverly done. There were jokes for all as in it.

My favourite parts were when they all got really bad brain freezes; when they were underwater and when Gorgonzola ate the parents.

The planning was great with all the simple props, amazing sound effects and acting.

My overall rating out of 5 would have to be 5 out of 5. ★★★★★

Ruby

I thought the play was well done with simple props and great sound effects. It was really funny, but the funniest part was when Terry made the mum and dad puppets kiss.

The book was not like the play. The play was the best in my opinion.

I would give the play 5 out of 5 because it was funny and I understood the jokes that they did. ★★★★★

Giving is something as simple as saying ‘thank you’ to someone and meaning it. We should all give a little more.

WEP Australia is a not-for-profit student exchange organisation, registered with the Education Departments in QLD, VIC and NSW. Our search for volunteer families wanting to host students arriving into Australia in January 2016 is now under way. With the support of schools, we hope to reach a diverse spectrum of families across a broad number of communities; families who may have an interest in enriching their lives through hosting an overseas exchange student.

Are You Interested In Different Cultures?
World Education Program (WEP) is inviting you to experience another culture in your own home by becoming a volunteer host family to an overseas student arriving in January 2016. Hosting exchange students gives Australian families the opportunity to share their life and their culture with young international students for a term, semester or year. January is fast approaching and our students can’t wait to hear from a welcoming host family they can call their own and learn about the place they will soon call home.

Hosting Is Fun! Request Student Profiles!
Getting to know your student before he or she arrives brings fun and joy to everyone involved. To help you make this important decision, contact WEP today on 1300 884 733, info@wep.org.au or www.wep.org.au to receive a full information pack for your family.
