Congratulations students for the great performances you did at the Lismore Performing Arts last week (and a great picture in the Northern Star too) Thank you to Miss Jodie also for the amount of effort you also put into our performances as well as being the official photographer for all the PAF events.

Performing is not over yet though! Tomorrow is the Waste Challenge- Dirty Dozen performance. Mayor Jenny Dowell will be judging the performance along with Danielle Harrigan from Lismore City Council. This is just a part of the Challenge. Our Wednesday No waste day, revamping our different garbage bins and our blog journal are all part of this too.

Just a reminder that our school is a Resource Recovery Collection Satchel collection point. If you require any more satchels please let me know. Bring in your full satchel and we’ll put it in our bin! (Problem waste includes household batteries, reading glasses, corks, CDs and DVDs, mobile phones and accessories, small electronics (such as cameras, iPods, calculators) and printer cartridges)

TEAMS Day At The Channon Oval

Teams Day is THIS Friday. Notes were sent home last week. Unfortunately I am unable to attend due to a meeting with our School Education Directors, but I know everyone will have an awesome day.
Miss Jodie, Miss Kathleen and Mrs Whillas will meet you at The Channon Oval at the play equipment at 9:15. **There will be an afternoon bus run ONLY.** If parents are picking up their children from the oval, please ensure you have spoken to staff before you leave.

Tuesday 8th September is the last day to have stickers in for our Woolworths Earn and Learn competition. Thank you to all who have sent stickers in.

Father’s day is this Sunday. Wishing all father’s a relaxing day.

**WEP Australia**

**are currently on the look out for volunteer host families to welcome overseas exchange students arriving in 2016.**

Hosting gives families the opportunity to open their hearts and their homes, share their customs and language and create lifelong friendships!

**Share Your Slice Of The World With A WEP Exchange Student**

Hosting an overseas secondary school student gives Australian families the opportunity to share their life and culture with young people from around the world for a school year, semester or term. It is about discovering another culture, encompassing different traditions and practices, and supporting a new family member as they do likewise. To find out more about students like Lorenzo, Andrea and Sara, head to our website:

**The Northern NSW Local Health District would like to remind parents and carers that the Child Oral Health Service offers FREE dental care to ALL children under 18.**

- Oral health is essential for health and wellbeing.
- It is recommended that children have regular dental check ups starting at 1 year.
- Regular dental check ups can prevent minor problems becoming major ones and prevent unnecessary pain and distress.
- Dental visits can be fun for kids, treat these visits as normal, routine events so as not to develop fear.
