Beginning on Friday 15th October 2010 and continuing until 10th December 2010

Is your four year old ready for school?

During Term 4, Tuntable Creek Public School will be running a one day a week Orientation Program to support your child’s readiness for school.

The program focus will be on developing Literacy/Numeracy readiness and social skills. The children will become familiar with school routines and participate in the exciting things that school life offers.

Our aim is to broaden the children’s educational experiences making sure they are confident, eager and enthusiastic learners who are looking forward to starting school in 2010.

Please phone Tuntable Creek Public School for more information on 6688 6212.

Let us help your child make a successful start to their learning journey
